Dear Mr Alexander
Chairman of the Presidium of the International Social Chamber

I hope My Email finds you well

On the occasion of the International Chamber of Commerce's eighth anniversary, based on the cordial relations, mutual respect, and creative humanitarian cooperation that bind us together, we offer our congratulations and the highest expressions of gratitude and thanks.

"In support of the creative humanitarian activity of the International Social Chamber in building communities and as a token of love in supporting purposeful humanitarian work, and in appreciation of the great and distinguished activity of the International Social Chamber, represented by its distinguished staff and the personal effort of His Excellency the Chairman of the Council of the Presidium of the Chamber, Mr. Alexander Olshevsky, in developing relations between countries and peoples."
Especially the Arab and Islamic worlds, and expanding international communication networks to build a more stable, friendly and harmonious world, far from wars and conflicts, in an effort to achieve coexistence and good neighborliness among peoples and all adherents of the heavenly religions, to build a just world, one world that is governed by security, peace, justice and stability.
